

How to Check-in Using QR-code? (EN)

Zeljana Zokic - 2023-09-06 - Hoe kan ik

Each Compli project site will have a project poster in a visible location. In order to check in on a project, the employee needs to follow these steps:

1. Scan the QR code on the poster

1. Please insert your phone number after scanning the QR code, through your camera or QR App (for Android versions from 2018 and older) and clicking on the link

Self check-in

1. Vul je mobiele nummer in.
2. Klik op de link in de SMS.
3. Bevestig je identiteit.

Je mobiele nummer:

1. Confirm identity

Self check-in

Ben jij **Zeljana ZZTest?**

Ja, dat ben ik

Collega inchecken

Lees onze Privacy Policy

a) If an employee is compliant (all compliance items are approved by Validator), after confirming the identity, the check-in status should be successful.

Check-in successful!

Zeljana ZZTest

is compliant and successfully
checked in for project

Drugi projekt.

Colleague check-in

[Read our Privacy Policy](#)

b) If the employee is not compliant, he/she will be asked to wait outside the construction

site for further instructions from the main contractor.

Inchecken niet mogelijk.

Gegevens van jou of jouw werkgever ontbreken.

We verzoeken je om buiten deze bouwplaats te wachten op instructies van de hoofdaannemer.

Collega inchecken
